

HR-V 3 / 5dr Options

Genuine Honda Accessories 2002YM

HR-V 3/5dr Options

In an ideal world, we would build each HR-V specially, to your own precise specification. Who knows? One day we might be doing just that. But while we are waiting for reality to catch up with our dreams, we can offer you the best possible alternative: Genuine Honda Accessories - a wealth of interior and exterior additions - from the purely practical to the unashamedly indulgent - to make your HR-V truly individual.

For your peace of mind all Options and Genuine Honda Accessories have been carefully designed, researched and stringently tested to the highest standards associated with Honda products, and like the HR-V itself, all Options are backed by the same three year / 90,000 mile warranty.

HR-V Exterior Sports Styling Options

The striking lines of the HR-V stand out wherever you take it. However, you may want to personalise your own HR-V precisely to your sense of style, differing needs and aspirations. A comprehensive range of specially selected Options is available to make your HR-V truly yours.

Your Honda dealership will be able to discuss your specific requirements and advise you of any combined offer Options packs that may also be available.

Exterior body styling, front fog lights and optional alloy wheels all complement the look of your HR-V. These Genuine Honda Accessories offer individuality and value - and when combined with a 1.6 litre 16-valve engine, including a VTEC option, they make it a true sports utility vehicle.

HR-V Security Options

For that extra peace of mind Honda has developed several new electronic advanced anti-theft systems for its vehicle range, all of which are designed to counter the most determined thief. We recognise the needs of every Honda owner are different. The Honda advanced vehicle systems are available in various options to meet your personal requirements.

Ultrasonic Alarm
Remote, ultrasonic sensors, with additional immobiliser and perimeter protection.

CAT 1 Security Alarm
Honda's top of the range, high quality Thatcham approved security system.

Personal Attack Alarm
Repeated synthesised vocal alarm siren operated by dashboard panic button, with hazard flashers, and vocal siren alarm.

HR-V Touring and Towing Options

The Honda range of Touring accessories meets all your needs for your favoured leisure activities. However you spend your leisure time - cycling to skiing or taking your family and pets on holiday, the Honda range of products will be more than useful. All the accessories have been stringently tested and chosen for their quality of manufacture, making them the safest and most efficient to use. All touring products are of the highest quality offering competitive genuine value.

Detachable Trailer Hitch with 7 Pin Trailer Harness

Designed to strategically disperse the towing load into the Honda car chassis, giving maximum safety and stability. Honda towbars do not require a stabiliser, unless personal preference dictates it.

Honda recommends only genuine Honda towbars are fitted to Honda vehicles.

Bicycle Lift

Lever-spring action eases the strain of lifting a bicycle onto the roof of your HR-V.

Bicycle Attachment

Upright roof transportation provides the most secure way of transporting your bicycles. (max. 3 bicycles)

Roof Box 350 litres

Provides the user with an easy way to transport extra luggage being aerodynamic and waterproof, highest quality with internal support struts. (For use with base carrier)

Base Roof Carrier - cross bars

Honda base carriers are designed specifically for each model's roof and gutter profiles. Fit will be perfect offering maximum security of load fixture. (Base Carrier Lock Sets are available)

Surf Board / Windsurf Attachment with Mast / Pole Holder Attachment

For that extra-curricular weekend activity...this attachment enables you to transport your surfboard or windsurfer safely and securely.

Ski / Snow Board Attachment

Winter sporting activity made easy...up to 3 pairs of skis or a combination of snowboard and skis can be fitted.

Team Honda Sport GT Mountain Bike - Limited Edition

Front suspension and Trigger gear change are just two features of this superb product. Built for Honda by world leading manufacturer GT bikes, finished in the Team Honda Sport colours to match the Millennium Season Accord Touring Car.

Available in: 14" Childs

Ski Box 320 litres

Provides the user with an easy way to transport extra luggage being aerodynamic and waterproof, highest quality with internal struts. (For use with base carrier)

Honda Approved Child and Baby Seats

Produced by Römer Britax European, these child seats have been chosen with your child's safety in mind, specifically for the whole Honda car range in the UK. Covers are also available separately. For Child Safety all Honda Child seats are approved to ECE44/03 standards and can be secured into position by using either the vehicle's existing seatbelts or a supplementary fitting kit.

Infant Seat - 'Babysafe'
0 - 9mths (up to 9kg)

Toddler Seat - 'King'
9mths - 4yrs (9 - 20kg)
